FORM 990-PF, PART IX-A, SUMMARY OF DIRECT CHARITABLE ACTIVITIES

The Charles K. Blandin Foundation helps communities provide choice and opportunity for all, especially people facing social and economic challenges.

Through grant-making, leadership development and public policy initiatives, our goals are to:

- Support capacity of communities to identify issues and opportunities;
- Help communities value and mobilize diverse ideas, opportunities, experiences, and people.

The Blandin Foundation mission is to strengthen communities in rural Minnesota, especially the Grand Rapids area. Our vision is to be the premier partner for building healthy rural Minnesota communities grounded in strong economies where the burdens and benefits are widely shared.

1. **Blandin Community Leadership Program (BCLP)** – Has served over 6,000 leaders from 422 rural Minnesota communities since its inception in 1985. The program focuses on individual and community change. This internationally recognized program is centered on three core competencies: framing opportunities and challenges that lead to effective action; building social capital for collaboration and resource sharing; and mobilizing a critical mass of resources to achieve specific outcomes.

The Blandin Reservation Community Leadership Program is an adaptation of the BCLP Core Program. It is designed to help strengthen reservation communities by developing caches of Native leaders with increased capacity to address the particular opportunities and challenges their communities face. We have had 331 reservation leaders participate in this program.

Leadership in Ethnically Diverse Communities (LEDC) – This program is designed to develop the leadership capacity in ethnically diverse communities for the purpose of building intentional inclusiveness. We have had 443 community leaders participate in this program.

Leaders Partnering to End Poverty (LPEP) - This program is designed to build leadership capacity in the community to increase opportunities to move people out of poverty. We have had 139 community leaders participate in this program.

There were 195 community leaders from 26 communities who were involved with the core BCLP program in 2011, seven reservation communities with 47 leaders trained through the Reservation Community Leadership Program, one community and 43 leaders trained through the Leadership in Ethnically Diverse Communities, and one community and 39 leaders trained through the Leaders Partnering to End Poverty during 2011, costing a total of \$2,157,762.

2. **Public Policy and Engagement** brings research, people and organizations together to address opportunities to strengthen rural Minnesota. The program encourages informed citizen action to assure that rural perspectives are well represented in public discourse. Blandin Foundation focuses on three critically important rural Minnesota policy issues: forest resources, inclusiveness and broadband technology.

The Foundation also partners with others to advance a number of other public policy issues important to the future of rural Minnesota, including early childhood and youth readiness, economic development, and ending poverty.

Total cost to operate Public Policy and Engagement in 2011 was \$915,904.

3. **Blandin Foundation grants**, in conjunction with resources from other stakeholders, provide incentives to implement strategies that create healthy rural Minnesota communities. Grants are focused on six major priorities:
 - Strengthening economic opportunity in rural communities;
 - Supporting the educational attainment of rural Minnesotans who may not have had the same advantage as others;
 - Stimulating promotion of fairness and opportunity;
 - Supporting specialized leadership development;
 - Promoting a stronger rural voice, and
 - Stimulating intercultural competency.

Scholarships are awarded in the local giving area, focused on improving educational attainment of disadvantaged populations. College scholarships to high school graduates in the local area are awarded, as well as scholarships for adult learners and nontraditional residents of Itasca County. Invest Early is a program targeted to children under five years old, recognizing that the best start to a successful life is an early educational start.

When C.K. Blandin established the Foundation in 1941, he specified the Grand Rapids area as its primary beneficiary – the Foundation’s most fundamental and enduring commitment. As the Foundation’s assets grew, its mission expanded to include rural communities throughout the state. Concern about the Foundation’s commitment to the local area has spurred periodic challenges and litigation. As a result, the Board of Trustees in December 2003 approved a resolution, ratified by Ramsey County District Court, to commit at least 55 percent of all grants to the area on the basis of a six-year rolling average.

The Blandin Foundation paid out over \$13 million in grants and scholarship in 2011 and the costs to operate the Grant Making program totaled \$675,506 for 2011.

4. **Broadband** a key initiative to make sure Minnesota’s rural communities have access to broadband technology needed for improved quality of life and economic competitiveness. The Minnesota Intelligent Rural Communities

(MIRC) project is a multi-sector, comprehensive approach to rural Minnesota broadband adoption that targets residents, small businesses, local governments and critical services providers. MIRC is a coalition of 30 statewide partners which were part of the Blandin Foundation grant application for federal stimulus money. Through the American Recovery and Reinvestment Act the National Telecommunications and Information Administration awarded Blandin Foundation MIRC a \$4.8 million Broadband Technology Opportunities Program grant.

The Blandin Foundation has granted to sub-grantees a total of \$3,864,632 grants-to-date and the costs to operate the federal grant program totaled \$279,508 for 2011.

GRANTS AND SCHOLARSHIPS PAID

Name	Address	Foundation Status of Recipient	Purpose	Amount
------	---------	--------------------------------------	---------	--------

The Charles K. Blandin Foundation reports annually the rolling, six-year average of grants paid that are in its home giving area (largely Itasca County and a few neighboring communities, classified as "local") and those that are outside of this home area (classified as "rural"). The definitions of "local" and "rural" were clarified by the Foundation's Board of Trustees on December 6, 2011. This clarification impacted grants throughout the 2006-2011 timeframe and is reflected in the listing above.
